TOWN OF TILTON WARRANT
State of New Hampshire
Polling hours 10:00 a.m. to 7:00 p.m.

To the inhabitants of the Town of Tilton, in the County of Belknap, qualified to vote in Town affairs.

You are hereby notified to meet at the Tilton Public Works Building on March 12, 1991 at 10:00 AM to act on the following subjects:

1. To choose the necessary Town officials as presented on the ballot prepared for same.
2. To see what action the Town will take on the adoption of the amendments to the existing Town Zoning Map and Ordinance as proposed by the Planning Board and Petitioned Articles, by Special Ballot prepared for same.

And on the 16th day of March 1991 at 10:00 in the forenoon at the Winnisquam Regional High School to act on the following subjects:

3. To see if the Town will vote to raise and appropriate the sum of \$18,000 for the purpose of beautifying the Island, with the understanding that the remaining \$7,000 required is through volunteer work; and that the \$18,000 may be offset by voluntary contributions and to authorize the Selectmen to apply for and accept State Block Grant funds of Twenty Five Thousand dollars (\$25,000.00) and to do all things necessary to carry out the purposes of this appropriation. (No opinion by the Budget Committee)
4. To see if the Town will vote to raise and appropriate the sum of Five Thousand dollars (\$5,000.00) for cleaning, restoring and relocating some of the five statues in Town. (by petition) (No opinion by the Budget Committee)
5. To see if the Town will vote to raise and appropriate the sum of Three Thousand dollars (\$3,000.00) to be used to allow the Recycling Committee to complete its test program. (by petition) (Recommended by the Budget Committee)
6. To see if the Town will vote to accept the Budget submitted by the Budget Committee, and pass any vote in relation hereto.
7. To see if the Town will vote to increase the term of the Town Highway Agent from one year to three

TOWN OF TILTON WARRANT (cont.)

years, beginning with the term of each Town Highway Agent who shall be elected at next year's regular Town Meeting. (by petition)

8. To see what action the Town would recommend to the County Commissioners and Delegation regarding the taxing of Tilton property owners in order to support the Gunstock Recreation Area.
9. To see if the Town will vote to ratify the following amendments to the Town Licensing ordinance Section II of Chapter 100:

"GAME MACHINE" shall mean a mechanically, electrically or electronically operated device for amusement or competition for which a fee is charged.

10. To see if the Town will vote to ratify the following amendments to the Town Licensing ordinance Section VII of Chapter 100:

GAME MACHINES. No game machine for which a fee is charged shall be operated in the Town of Tilton unless such machine is first licensed by the Town of Tilton's Licensing Board.

A. The license shall restrict the operation of said machine to persons sixteen (16) years of age or older.

B. The owner, lessee or any other person in possession of the premises at which such a machine is operated shall be deemed to be the responsible party and shall be liable for any fines made hereunder.

C. The license for each game machine shall be renewable January 1 of each year.

11. To see if the Town will vote to ratify the following amendment to Town Traffic ordinance Article III Section 18 of Chapter 200:

On Town owned streets where sidewalks are delineated and parking spaces are not provided and the street is so narrow that parking on the street would impede traffic flow, the operator of a motor vehicle may partially park on a sidewalk. Said parking shall be limited to the two wheels on the right side and shall be done in such a way as to reasonable allow for pedestrian passage on the sidewalk. The streets of the Town where this ordinance applies shall be those streets bounded by, but not include, School Street, Colby Road, Winter

TOWN OF TILTON WARRANT (cont.)

Street and Main Street.

This Section shall not be construed as authorization to violate other provisions of this ordinance.

The penalty for violating this Section shall be the same as found in Article IV Section 1a. Additionally, the owner or operator of a motor vehicle found to be in violation of this Section shall be subject to having their motor vehicle towed at their expense.

12. To see if the Town will vote to ratify the following amendment to Town Traffic ordinance Article II Section 7 of Chapter 200:

It shall be a violation of this section to operate a bicycle, skateboard or scooter on the sidewalks along Main Street, between the intersection of School Street, Main Street and Bridge Street and the intersection of Prospect Street, Park Street and Main Street; in addition, it shall be a violation to operate a skateboard in any of the Town's municipal parking lots.

Anyone eighteen years or older found to be in violation of this article shall be guilty of a violation as provided in Article IV Section 1b. Any one under eighteen years of age found to be in violation of this article shall be guilty of a violation as provided in Article IV Section 1d.

13. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from State, Federal or another Governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95b.
14. To see if the Town will vote to authorize the Board of Selectmen to accept donations, gifts or property that might become available prior to next Town Meeting.
15. To see if the Town will vote to authorize the Board of Selectmen to convey property acquired by the Town through Tax Collector's deed by public auction.
16. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

TOWN OF TILTON WARRANT (cont.)

17. To see what action the Town will take in regards to the reports of its officers and agents.
18. To choose any other officers and agents for the ensuing year.
19. To transact any other business that may legally come before said meeting.

2. Thank you to Police Department Building Committee for a job well done.
3. Thank you to Vickie Virgin and Douglas Smart for serving on the Budget Committee.

Meeting adjourned at 2:30 p.m.

AUDITOR'S REPORT

We have audited the general purpose financial statements of the Town of Tilton as of December 31, 1990, and for the year then ended. The general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the Fiduciary Fund Type or the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the Fiduciary Fund Type and the General Fixed Asset Account Group are not known.

In our opinion, except for the effect on the general purpose financial statements of the omissions described in the preceding paragraph, the general purpose financial statements referred to above, present fairly, in all material respects, the financial position of the Town of Tilton at December 31, 1990, and the results of its operations for the year then ended in conformity with generally accepted accounting principles. Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements, and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

GRZELAK AND COMPANY, P.C.
LACONIA, NEW HAMPSHIRE

REPORT OF THE SELECTMEN

In the year 1990, the downswing in the economy of the Northeast had its impact on Town government. The total collapse of the construction industry caused unemployment, and many Tilton families had no other recourse than to come to the Town for aid. Welfare costs rose from \$37,471 in 1989 to \$111,232 in 1990. Estimated 1991 cost could be higher. There has been some pay-back as many recipients have been making substantial contribution in the workfare program. Although there is no immediate relief in sight, we will continue to monitor this area to see if improvements can be made. The Selectmen have targeted Senate Bill #1, which among other things dictates that there be no residency requirement for welfare applicants, for a future amendment by our legislators.

Revenues from the State and other sources declined from \$948,656 to \$808,161 in 1990. The proceeds from the decal program continue to exceed the costs of maintaining the position, and the Agent is able to assist with many other Town duties.

One part-time position in the Town office and a full-time position in the Highway Department were eliminated. A newly created position in the Police Dept. was not staffed. The new Police station should increase labor efficiency, and the space vacated in the Town Hall has enabled us to close off the second story. This should cut the cost of heating oil by 50%.

We are concerned that other governments, who created 79% of Tilton's \$17.70 tax rate, have approved budget increases for 1991. The Winnisquam School District, which was responsible for a 20% increase in Tilton's tax rate in 1990, has budgeted for another increase in 1991. The County budget is up 11% and will probably go up another 20% because of the Gunstock Recreation Area fiscal debacle.

Not withstanding substantial increases by Blue Cross/Blue Shield, pension funding, utilities, liability insurance, welfare, etc., the 1991 Selectmen's budget remains level funded with that of 1990.

This is a tribute to the innovative and frugal budgeting techniques employed by our department heads and their staffs.

The municipal portion of our \$17.70 tax rate is \$3.81 or 21.5% of the total rate.

Tilton Selectmen continue to be heard by these other Governments. Our message has been: "There is no more money and you must adopt better business practices and reduce the burden on the Tilton taxpayer."

The grant approved by the voters in 1989 has greatly improved the desirability of the homes in the Mechanic Street area, thus improving the tax base and

REPORT OF THE SELECTMEN (cont.)

reducing the costs of government services. A grant is now available to restore the Island bridge, rebuild the granite retaining wall around the Island, and landscape the Island.

We are pleased that the Parks Commission has assumed the task of preserving the Town statues and the Winnisquam Vitalization Committee is going to plant shade trees on Main Street.

The largest impact on the Town of Tilton in 1990 was the property revaluation. The re-assessment, performed by Avitar, determined property values as of 4/1/90, with the primary intent of establishing equity between the values of all property in the Town. The result was a total value for Tilton property of \$223,727,458, which is more than three and a half times the prior tax value. One of the factors that was used in the revaluation was zoning, (residential, business, commercial, etc.). Because of this, the Selectmen took the initiative to notify property owners/residents of purely residential property located in commercial zones that a special re-appraisal of their property may be applicable with a resulting lower tax bill. During 1990, a degree of arbitrage was accomplished by borrowing the maximum allowable in anticipation of taxes and investing it at a higher interest rate. As tax laws and other conditions allow, this may continue in future years.

Significant changes were made in the trash/refuse disposal area, with special licenses for commercial trash haulers that resulted in the Town being remunerated for tipping fees and costs of commercial trash disposal.

The Selectmen were very active in public hearings, etc. which resulted in a special study of the operational and strategic problems associated with the ski area located at the Gunstock Recreation Area.

The Federal government and the State of New Hampshire started the clean-up of the hazardous waste at the Turchin junkyard. This will continue into 1991.

The so-called Franklin/Laconia bypass, that could devastate our tax base and physically divide our Town, is again rearing its ugly head. Your Selectmen will be on the firing lines in Concord attempting once again to reroute this proposed bill.

REPRESENTATIVE JOSCELYN'S REPORT

I wish to take this opportunity to thank the voters of Tilton for supporting me in my election to the N.H. House of Representatives. The Speaker of the House appointed me to the Fish and Game Committee and I feel my background will serve the Committee well.

As a Legislature, I am also a member of the Belknap County Delegation which oversees the appropriation of funds to operate the County. The Chairman of the County Delegation appointed me to the Airport, County Home and Courthouse Sub-Committee.

There are many bills to be considered that will affect Tilton, and I welcome any input or comments that you, the voters, may have relative to these bills. I have sponsored only one bill this session, relative to "Academy Faculty Home Exemptions". This bill has a distinct impact on our tax base and hopefully, it will make it through the process.

If any voters have any questions relative to Legislative matters, you may reach me at my home phone or message system, 286-8485.

Respectfully,

Rep. William W. Joscelyn

REPORT OF THE CHIEF OF POLICE

The year 1990 was a hectic yet happy one for your Police Department. We moved into our new facility on December 4, 1990, under budget and ahead of schedule. We are all grateful to the citizens of Tilton. We also implemented part of the re-organization plan, but due to budgetary constraints, we were not able to complete this needed step. Hopefully, we will have completed it by 1992 when I expect to retire.

Attached you will find some statistics for 1990 which should give you an idea of our activities. It isn't complete, however. We are still updating the new Police program, consequently I am unable to give you the type of data I wanted to. We hope, by next year, to be able to give you a yearly comparison, number of incidents by type, location and time of day. This will, we hope, assist us in determining where our strengths and weaknesses are, and help us concentrate our efforts in the locations that require more attention. Due to the budget crunch that we are all sharing, I don't expect any major changes in our Police program for 1991. Let's hope 1992 will look better for all.

Respectfully,

George S. Prescott
Chief of Police

REPORT OF THE ROAD AGENT

1990 has been a challenge, and 1991 will be an even greater challenge to maintain the same level of service with reduced budgets and manpower. We gladly accept this challenge.

Salt usage is being reduced for both the cost and environmental reasons. The new computerized spreader is working very well. By being sensitive to ground speed, it distributes material very accurately and removes the human error.

Overtime has been reduced to an absolute minimum, we are working with one less man than last year, and at the same time, striving to improve efficiency.

Besides rubbish collection and abandoned cemetery maintenance, summer projects included:

- base stabilization and paving of Jacob Road and Silver lane;

- grade and pave Knowles Hill Road;

- removal of trees and brush from the new Police Station lot;

- improve drainage at the intersection of Chestnut Street and Main Street (which turned out to be quite a project);

- working with the State Dept. of Transportation to improve the drainage at the intersection of Cedar Street and Winter Street, which required the removal of several yards of very hard ledge;

- the recycling building was moved onto the Town lot and siding was put on with lumber cut from the Police Station lot;

- repair of wash-out damage from the heavy rains of August 6th and 10th.

The major summer projects for 1991 are:

- improve drainage and reconstruction of Westwood Drive;

- drainage and reconstruction of Circle Drive;

- drainage and reconstruction of the entrance to Lancaster Heights.

Spring clean-up will be April 23 and 24 for the Eastern part of Town and April 25 and 26 for the Western part of Town, the railroad tracks by the Cumberland Farm store being the dividing point.

Respectfully submitted

David Wadleigh
Road Agent

PLANNING BOARD REPORT

The Tilton Planning Board held twenty-one meetings in 1990 with an average attendance at these meetings of 4.76 members.

Public hearings were held on four subdivision plans. Three were approved and one was pending at year end. Public hearings were also held on seven site plans. All seven were complete and signed by year end.

The economic condition of the real estate market during 1990 was evident in the reduced work load that came before the Board. We took advantage of this opportunity to begin a comprehensive review of our Zoning and Subdivision Regulations. A prime area the Board felt should be addressed was a complete revision and major expansion of "Definitions" of terms used in our local ordinances. The Board felt that such an undertaking, successfully accomplished, would remove much if not all of the ambiguity and confusion that can arise in reading the local ordinances. This major goal was completed by year end to the ultimate satisfaction of Board members.

Further comprehensive review of Zoning and Subdivision Regulations are anticipated in 1991. Any taxpayer interested in adding significant input to these Regulations is welcomed and encouraged to visit the Board at any time.

Thomas G. Gallant, Chairman
Planning Board

ZONING BOARD OF ADJUSTMENT REPORT

TOTAL MEETINGS: 11

AVERAGE MEMBERS PRESENT: 5

In late March, Robert Buckley took advantage of a one-day training seminar sponsored by the Office of State Planning in Concord. What was unique about this seminar was that trainees were able to participate in several mock cases which, according to Robert, greatly enhanced his level of confidence and expertise.

The Board of Adjustment received its new fireproof file cabinet in May. Now the assurance of perpetuity for all important documents associated with each case has been greatly increased.

Of concern to the Board, again this year, were those appeals which come to us subsequent to commencement or completion of a project. Not only is this burdensome for the Board members from an emotional standpoint, but particularly stressful to the appellant whose request must be denied and the project dismantled. To avoid this, please review the most current edition of the Zoning Regulations before you begin a home project and seek advice or interpretation, if needed, from the Land Use Administrative Asst. This preliminary step could prevent frustration, delay and unnecessary expense to yourself.

Finally, my thanks to all those citizens who participated actively in the proceedings of this Board and to the Board members themselves for their selfless and exemplary performance.

Respectfully submitted

Robert C. Brown, Chairman
Zoning Board of Adjustment

REPORT OF THE CONSERVATION COMMISSION

The purpose of the Conservation Commission is to help protect and encourage proper use of Tilton's natural resources and to protect our rivers, streams, wetlands and ground water. The Commission is able to comment and offer opinions on environmental matters, but has no authority to approve projects or to enforce regulations. By law, we are required to review NH Dredge & Fill Permit applications and, if necessary, provide written comments to the NH Wetlands Board on the projects' environmental effects. This year the number of applications related to building and construction projects decreased. Most of the applications related to shoreline erosion control and docks.

During 1990, the number of waterfront violations increased. We would like to remind those who wish to construct new docks, make shoreline improvements or repair docks to obtain a NH Wetlands Board permit before proceeding.

We have spent time learning about changes in State and Federal regulations related to wetlands so that we can assist the Town in planning. At some point in 1991, the State will change its method of identifying wetlands to correspond with Federal standards. Wetlands will be identified by using soil type, vegetation and hydrology. Commissioners have attended workshops to learn wetland identification, soil mapping, gravel pits, erosion control, aquifer mapping and timber practices.

The Commission maintains information about soils, wetlands, environmental regulations, etc., which are available to all Town agencies to use.

The Commission has assisted the Planning and Zoning Boards, and citizens with wetlands information.

Commissioners Randy Ferrin and Bob Hardy were speakers at the Winnisquam Regional Middle School Community Awareness Program.

Commissioners are available to assist anyone planning a project or having questions regarding natural resources, wetlands and Dredge & Fill Permits. Commissioners can be contacted directly or at monthly Commission meetings.

Respectfully submitted,

Justine B. Gengras, Chairman

NEW HAMPSHIRE HUMANE SOCIETY REPORT

The 1990 totals of the number of animals brought to the N.H. Humane Society shelter from your Town are as follows:

By your Animal Control Officer:

Dogs & Puppies	22
Cats & Kittens	3
Total	25

From local residents:

Dogs & Puppies	28
Cats & Kittens	62
Total	90

Total all animals 115

Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs. Every town has stray animal problems. We encourage your Town and especially your Animal Control Officer to use our services more in 1991.

Six classes from the Union-Sanborn School make regular borrowing visits. The summer reading encouragement/story time program served 72 children;

HALL MEMORIAL LIBRARY (cont.)

many thanks to Doris Ullrick for conducting the summer story hour.

For years, the State library has supplied us with films, but this program was terminated in December. However, it continues to lend up ten videotapes per month.

Jointly with the Tilton School library, we had a program of monthly American short stories this fall. Video presentations were followed by discussions led by Dr. Patrick Anderson of Colby-Sawyer College.

Thursday morning story hour for pre-school children has been held when attendance included at least three children.

We invite craftspeople and others to make use of the exhibit case in the foyer, and we appreciate those who have lent us exhibits, especially those made by home-schooled children.

We also appreciate patrons' gifts of Christmas wreaths and trees, books, magazines, as well as monetary donations.

The Trustees paid tribute to Warren B. Hill's long term of service with a beautiful plaque. Thanks to Jean Wright and Jean Godbout, volunteers, and to Theresa Pucci for the cross-stitched Mother Goose characters in the children's room.

Rinske van Epen
Librarian

VISITING NURSE ASSOCIATION OF FRANKLIN, INC.

The merging of the Tilton-Northfield District Nurse Association and the Visiting Nurse Association of Franklin, Inc. has been very successful in bringing more comprehensive home health services to the residents of Tilton.

As of November 30, 1990, we had provided:

Skilled nursing visits	1,171	
Home health aide	1,136	
Physical therapy	272	
Occupation therapy	1	
Homemaker visits	92	(270 units)
Supportive services	71	
Hospice	5	
Office visits	37	
Community health	91	

Total:	2,876	

We appreciate Sandra Emerson, Rob Steady and Sharon Watson, representatives from your community, who actively support and serve on our Board of Directors.

Executive Director

TILTON-NORTHFIELD FIRE DISTRICT WARRANT

To the inhabitants of the Tilton-Northfield Fire District, qualified to vote in the District Affairs:

You are hereby notified to meet in the Winnisquam Regional High School Cafeteria on Monday, March 18, 1991 at 7:30 o'clock in the evening to act on the following:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Fire Commissioner for the ensuing three (3) years.
5. To hear the reports of the Treasurer and the Fire Commissioners and pass any vote relating thereto.
6. To see if the District will vote to renew the Water Contract and raise money for the same in the sum of Forty-Two Thousand dollars (\$42,000.00).
7. To see if the District will vote to raise and appropriate Fifteen Thousand dollars (\$15,000.00) for the support of the Winnisquam Fire Department.
8. To see if the District will vote to accept the budget as submitted by the Fire Commissioners, and pass any vote in relation thereof.
9. To see if the District will vote to authorize the Fire Commissioners to apply for, accept and expend money from the State, Federal or other Governmental unit or a private source should any become available during the year.
10. To see if the District will vote to raise and appropriate Six Thousand Dollars (\$6,000.00) for the purpose of refurbishing 21 X 1 Rescue (1969 Ford Model F600).
11. To see if the District will vote to authorize the Fire Commissioners to borrow money in Anticipation of Taxes.
12. To transact any other business that may legally come before the meeting.

FALSE ALARMS	43	7	1	0
OTHER	12	12	5	0
	-----	-----	-----	-----
TOTAL:	152	56	73	1

In addition, the department responded to 16 mutual aid calls:

Structure Fires	4
Cover Truck	9
Medical	3

Present vehicles in use:

- 1 - 1968 International 750 gal. pump 1000 gal. tank
- 1 - 1981 International 1000 gal. pump 1000 gal. tank
- 1 - 1980 Ford rescue vehicle
- 1 - Forestry Jeep

Regular business meetings are held on the first Thursday of each month at 8:00 PM. Officers' meetings are held the third Thursday of each month at 7:30 PM and special meetings are held as needed.

The Department consists of 33 active members, 9 of whom are Emergency Medical Technicians, 5 are qualified for defibrillator use (advance life support). Training sessions were held throughout the year and various schools attended by members. Five of our members completed an Emergency Medical Technician course and 5 completed a Firefighter Level I course.

The Department purchased 2 additional cold water rescue suits this year giving a total of 4 suits to help in the aid of rescue in cold water.

The annual Carole Davis Memorial Christmas party was held for the children in the Winnisquam area, as well as a Halloween party.

The Department and the Ladies Auxiliary held various suppers and fund raisers throughout the year.

The Winnisquam Fire Department would like to thank the community for its continuing and ongoing support.

Paige Goulding, Secretary, WFD

The Tilton Sewer Commission has received a notice from the Winnepesaukee River Basic Program which projects significant increases in the cost of operating the Program, of which we are a member. The Commissioners will make every effort to assure that such increases are the minimum required to provide the service the community needs.

Edward J. Brigman, Chairman
Tilton Sewer Commission

TILTON-NORTHFIELD RECREATION COUNCIL REPORT

The year 1990 has been a very successful year for the T-N Recreation Council. Our programs and participation have increased and we feel we are reaching more people. It is our desire to continue this and to expand further.

The Council has also been very busy with plans for our new community center. This center has been designed to meet the needs of all ages. We have applied for a block grant worth \$350,000 (grants do not have to be paid back), and letters are going out to private organizations for funding. It has always been the Council's desire to build this building with as much private donations as possible. During this time of hard economics, we feel this need all the more and are searching for every possible funding we can.

We would like to thank the residents and taxpayers of Tilton and Northfield for support of our programs, all of the volunteers who dedicate their time and energy to the programs, the Town of Northfield for your votes to lease the Northfield Pines for the center, and to Joyce Johnson, Northfield Administrative Asst., and Northfield Selectmen for your help with the lease and the grant application.

The Council will continue to serve the people the best way we can. Please feel free to contact me with any questions or comments.

Steven Hoyt, Chairman

YOUTH ASSISTANCE PROGRAM OF NORTHFIELD, SANBORNTON AND TILTON, INC.

The Youth Assistance Program of Northfield, Sanbornton and Tilton is a Court Diversion Program for juveniles who are first time offenders and a Prevention Program for youth up to the age of eighteen.

This year the Youth Assistance Program actively pursued alternative funding to offset the tax burden to our townspeople. We have received a stipend from the Belknap County Incentive Fund for 1991 and have applied for help from Merrimack County as well. It is the program's intention to pursue County funds in the future. However, there is no assurance that these funds will be available or approved.

As an offshoot of our program, we are preparing to teach a course for youths for the prevention of drug and alcohol abuse. We are pleased to have received a grant from the Governor's Office to pay for this educational program.

A special thanks go to our many volunteers, our Board of Directors and many friends. We are especially grateful for the cooperative support of our schools, Police Department and Town officials.

Martha C. Douglass, Director
Dawn B. Shimberg, Asst. Director

OLD HOME DAY

The 1990 Tilton-Northfield Old Home Day was a big success. The festivities started off at 10:00 AM on June 30th with a two mile-long parade put together by John Keith, then a chicken barbecue was served by the Old Home Day Committee, games sponsored by the T-N Rec Council, children enjoying trick bikes, booths and foods for all ages, the T-N Fire Dept. muster and the grand finale was a fireworks display.

I would like to thank all who made this day fun-filled and enjoyable for everyone, the Highway and Police Departments and the committee who worked so many hours to make this one day event such a success.

LAKES REGION COMMUNITY HEALTH AGENCY, INC.

The Lakes Region Community Health Agency provided Homemaker services in Tilton from January 1 through June 30, 1990, when the Franklin Visiting Nurse Association took over the program. During the six months, we made 443 visits to 26 people.

In addition, during this time, we provided these services to residents of Tilton:

Maternal Child Health Home Visits	7 visits
Early Intervention (ages 0-3)	67 visits
Alzheimer's Respite	2 families
Adult In-home Care	1,200 hours
Well Child Services	8 families

Alida Millham, Executive Director

WINNISQUAM AREA VITALIZATION COMMITTEE

The Winnisquam Area Vitalization Committee enjoyed a productive 1990. Despite lacking membership, the Committee completed several projects that served the Northfield, Tilton & Sanbornton area:

1. A brochure welcoming newcomers and celebrating with residents points of interest in the three Towns;

2. A brochure advertising local crafts, mostly home based, and bringing these unique craftspeople to a wider market;

3. Sponsored Earth Day activities which included kite flying at the Tilton Memorial Arch and a native American pow-wow dance at the Tilton Town Hall;

4. Produced a coloring book designed to encourage area appreciation in people of all ages;

5. Sponsored 2nd Annual "Summerfair" in Tilton with local craftspeople, artists, farmers, musicians, businesses and organizations from the three Towns;

6. Sponsored signs for the Tilton Memorial Arch, aided monetarily by Northfield, showing access to the Arch.

We engaged in conversation with local State Senators and Representatives on economic issues.

There are many people that have been involved this year and I would like to mention those who have made extra effort: Dick Smart, Bob Foster, Kris Meinhold, Ken Nash, Jeff McCarthy, Bruce Angus, Mike Blanchard, Bob Clemons, Bill Franks, Bev Thibeault, Marie Mahoney, Mike Baker, Tom Salatiello, Judy Stewart, Gene Pantzer and members of the T-N Fire Dept.

Bill Lawrence, President

TILTON HISTORICAL SOCIETY

The Tilton Historical Society, founded in 1984, is dedicated to the preservation of Tilton's rich history, through the presentation of thought-provoking programs, the collection of memories of living members and the protection of local artifacts, both great and small.

1990 was an active year for the Society. The annual meeting in June brought Prof. Robert Dishman, U.N.H., to speak about N.H. Shay's Rebellion. This was the first effort by the Society to bring a major speaker to Town with the assistance of the N.H. Council for the Humanities.

Other featured programs included Jim Dodge speaking about N.H. grand hotels, Brownie Gengras speaking about the local archaeological sites, Jim Shepherd speaking on the life and times of Mary Baker Eddy, and Bill Joscelyn speaking on the early school system in Tilton.

A special effort was made by member Chuck Virgin, who gave the world premier of his video "the Way We Were" at a special meeting of the Society, held at Pauli's Restaurant. The video features scenes from Tilton's early years, with a Scott Joplin soundtrack. It served as a catalyst for a lively discussion. Chuck has copies available.

The Society was saddened by the loss of Hazel Moses Lawrence, and honorary member, and one of Tilton's oldest citizens. Her contribution of a rare copy of "A History of Sanbornton, New Hampshire" was one of the first major gifts the Society received, and is a cornerstone of our reference library. The recent passing of Ethel Rogler, a charter member, means the Society has lost a loyal attendee and thoughtful contributor to meetings.

The Society has been successful in collecting and preserving many artifacts of local character. A long-term goal is the procurement of a building suitable for displaying and preserving these items, as well as making them available for research.

Meetings will resume in April, the second Monday of each month, either in the vestry of the N-T Congregational Church, or the Iona Savings Bank Community Room, depending on availability. All are welcome to attend, and questions may be directed to Pres. Bill Joscelyn, or Dir. Karen Floyd Shepherd.

James Shepherd
